

ESVS 32nd Annual Meeting

25–28 September 2018

Palau de Congressos
Valencia, Spain

Diversity Creates Knowledge

Dear colleague,

Welcome to Valencia, the city hosting the XXXII ESVS Annual Meeting 2018. You will be charmed by the people of this friendly seaside city and by the bright and colourful surroundings.

Our scientific program takes place in Norman Foster's fabulous *Palacio de Congressos*, a few minutes' walk from reasonably priced 3,4 and 5 star hotels. You will have many networking opportunities at the ESVS Welcome Event. Come and be captivated by the mixture of ancient cultures and architecture styles, from Romanesque and Gothic to Baroque and Modernism.

This meeting will emphasize learning opportunities for everyone, including our new ESVS Academy. View vascular procedures in 3D, participate in burning debates and discussions, consensus, and update sessions with our voting system.

Walk, run (or cycle) through the 12 km long park extending along the old course of the river down to the sea, enjoy the magnificence of Calatrava's fabulous buildings, share with us the taste of real paella, enjoy MalvaRosa beach and its restaurants and have fun in the night life of Barrio del Carmen. If you are staying for a few extra days, consider spending some time in the nearby Spanish countryside and beaches. But please, don't forget to attend the great sessions during the meeting; we have plenty of news, science and surgery for you!

Valencia 2018 – don't miss it! Mark your diary now for 24-28th September 2018
We look forward to seeing you!

With warmest best wishes

Alison Halliday

ESVS President

Manuel Miralles

LOC Chair
