

***Contemporary therapeutic approaches to Acute Limb Ischaemia***

**24<sup>th</sup> – 25<sup>th</sup> October, 2024**

Collaborator: Department of Interventional Radiology  
Department of Vascular Surgery

Programme

Hours	Date October 24th, 2024
08:45 - 09:00	Registration
09:00 - 09:15	<b>Introductions</b>
	Introduction, presentation of the course programme and the faculty
09.15-10.15	<b>ALI Session 1:</b> The burden of acute limb ischemia (incidence, increased of acute on chronic, etc) Patient evaluation and diagnosis algorithm ESVS guidelines overview
10.15-10-45	<b>Coffee breack</b>
10:45 – 12.30	<b>Round-table: how I deal with patients with acute limb ischemia at my facility</b> (discussion with faculty and attendees, they can bring cases to be discussed)
12:30 - 13:30	<b>Lunch</b>
13:30 - 15:00	<b>Hands-on session 1</b> 5 teams of 4 participants Rotation between 5 workstations for endo and 5 workstations for open with tutor demonstration followed by hand-on ALI
15.00-15.30	<b>Coffee breack</b>
15:30 – 17.00	<b>Recorded cases plenary discussion</b>
19.00-21.30	<b>Dinner</b>

## ***Contemporary therapeutic approaches to Acute Limb Ischaemia***

**24<sup>th</sup> – 25<sup>th</sup> October, 2024**

Collaborator: Department of Interventional Radiology  
Department of Vascular Surgery

Hours	Date October 25th , 2024
09:00 – 10.00	<b>ALI Session 2:</b> Therapeutical approaches in the management of acute limb ischemia <ul style="list-style-type: none"> <li>- Surgical techniques</li> <li>- Endovascular techniques:               <ul style="list-style-type: none"> <li>- Thrombolysis</li> <li>- Aspiration thrombectomy</li> <li>- Mechanical thrombectomy</li> <li>- Ultrasound accelerated thrombolysis</li> </ul> </li> </ul>
10:00 - 10:30	<b>Coffee breack</b>
10.30- 12.30	<b>Hands on session part 2</b> 5 teams of 4 partecipants Rotation between 5 workstations for endo and 5 workstations for open with tutor demonstration followed by hand-on ALI
12:30 - 13:30	<b>Lunch</b>
13:30 – 15.00	<b>Hands-on sessions part 3</b> 5 teams of 4 partecipants Rotation between 5 workstations for endo and 5 workstations for open with tutor demonstration followed by hand-on ALI
15.00-15.30	<b>Coffee breack</b>
15:30 – 16.30	<b>Round-table: course evaluation, feedback from the attendees, Will I change my practice?</b>
